

A KAIAPOI ART ADVENTURE

With river, beach and mountain walks, 60 km of cycleways, 10 km of sandy coastline, boutique shops, fabulous eateries and a number of activities to do, find out why Waimakariri is the perfect place to make a day of it - no matter the season!

10.30am – Kaiapoi Riverbank, Kaiapoi

Situated on the banks of the Kaiapoi River amongst other sculptures are six obelisks created by local artists in 2009. To see all six, you will need to walk both sides of the river and head east to west. Most of the obelisks are on the north side of the river, so when you head east and then west, keep your eye on the other side! Heading west on the north side, cross over the Mafeking bridge to bring you back to the town.
